What age range do you serve? Memory Minders 60 and older /
Get Well/Stay Well 55-older

A brief description of your position: Memory Minders Coordinator:
Oversee and implement a program designed for people with mild memory impairment. The program is a social day program, with activities and support systems that are suitable to slow the further deterioration of mild memory loss such as dementia and Alzheimer's disease.

Get Well/Stay Well Advocate: This program is a partnership between The Dale Association and Niagara Falls Memorial Medical Center. It is an integrated care service that brings counseling and primary care together to promote wellness in all areas of life. My position as Senior Advocate is to help connect patients to helpful community resources. Phone 716-297-4906 for more details or visit www.NFMMC.org

A brief description of what your agency does: The Dale Association's mission is to provide comprehensive services and coordinate connections for adults in the Niagara Region which will enhance their health and wellness and empower them to build bridges into their communities.

Please list any other programs your agency provides: Senior Services, Travel, Volunteer Opportunities, Outreach Services, Community Education, Mental Health Services, Vision & Hearing Impairment Services, Dementia Social Day Program.
